3. [REDACTED] and I met with Chairman John Stennis, Senate Armed Services Committee, for about 45 minutes this morning to bring him up to date on current intelligence developments and matters involving the current inquiries to the Agency. See Memo for Record.

25X1A

Following our meeting with Chairman Stennis, [REDACTED] and I met with Clark McFadden, General Counsel of the Committee, and briefed him on the topics covered with the Chairman. I told McFadden that we would provide him with the data the Chairman had requested on current legislation affecting the Agency.

4. (Unclassified - GLC) Attempted to see Frank Slatinshek, Chief Counsel, House Armed Services Committee, without success on our comments on H. Res. 205. I did talk briefly with Chairman Lucien Nedzi, Intelligence Subcommittee, however, to tell him that I had discussed the possibility of a letter to the Speaker from the Director and had received some White House guidance on this. I told him we were still thinking about this and would keep him informed.

5. (Unclassified - RJK) As a follow-up to a previous meeting, delivered to Bob Perkins, on the staff of Senator William Brock (R., Tenn.), an unclassified Agency publication on the United Nations General Assembly.

6. (Unclassified - GLC) Dropped by the House Foreign Affairs Committee offices to see Marian Czarnecki, Chief of Staff, and while waiting for Czarnecki ran into Jack Marsh, Counselor to the President. Marsh and I were there to discuss Executive Branch responses to the Harrington Resolutions of Inquiry (H. Res. 205, 206 and 207) and we discussed the matter with Czarnecki jointly. In the course of our meeting, Marsh placed a call to Phil Areeda, Counsel to the President, on the subject. The White House is redrafting the letter originally submitted by Areeda to Chairman Morgan and it will be returned to Czarnecki this evening. It is expected the Foreign Affairs Committee will act on H. Res. 206 and 207 tomorrow (H. Res. 205 was referred to the House Armed Services Committee) and it is expected that the Committee will not act favorably on these Resolutions. I told Marsh we had submitted our draft comments to the Armed Services Committee to the White House staff for clearance and we would await their guidance.

I asked Czarnecki about the scheduling of the Director's briefing on covert activities since the Committee on Oversight has now been designated. Czarnecki said the Chairman has just had his hands full with other matters and has not been able to get to it as yet. Czarnecki will let us know further about this.

25X1 7. [REDACTED] Met briefly with Ralph Preston, House Appropriations Committee staff, and mentioned the possibility of the Director sending a letter to Speaker Albert. (See Note for File)

I picked up from Preston a copy of the unclassified transcript of the Director's open testimony before the Defense Subcommittee on 20 February.

25X1 8. [REDACTED] Met with Dorothy Fosdick, staff of the Permanent Subcommittee on Investigations, Senate Government Operations Committee, and asked her about Senator Henry Jackson's withdrawal from the Senate Armed Services CIA Subcommittee. She said she was unaware the Senator was no longer on our Subcommittee and seemed somewhat surprised. We talked about the House and Senate Select Committee inquiries and I expressed concern about maintaining the security of the information involved.

9. (Unclassified - RJK) Delivered Agency maps to Dr. Arlon Tussing, on the staff of the Senate Interior and Insular Affairs Committee, and also to George Stringfellow, on the staff of Representative Richardson Preyer (D., N.C.).

11. [] Received a call from [] who said DIA had gotten into some difficulty concerning figures on Middle East Order of Battle which they had provided Chairman Price and other members of the House Armed Services Committee in connection with their recent trip to the Middle East. [] NIO/ME, and the NIOs are working on this in conjunction with DIA. [] suggested if we get a request from Frank Slatinshek, Chief Counsel of the Committee, on this we advise him we are working on this and hope to have something in the near future.

12. [] In follow up of a call that he made to the Director, called George Murphy, Deputy Director, Joint Committee on Atomic Energy, and told him that the Director had already written to Senator Frank Church (D., Idaho) approving the release of the Watergate material to the Senate Select Committee and in response to Murphy's request and after checking with [] IC staff, I sent to Senator Howard Baker (R., Tenn.) the Director's 13 February 1975 letter to Senator Church.

13. [] Called Tom Lattimer, Special Assistant to the Secretary of Defense, and reviewed with him the state of play as we knew it on the various Harrington resolutions of inquiry. [REDACTED] 16. [REDACTED] Russ Rourke, White House staff, called and said the information he had given Mr. Cary on the Areeda letter this morning was incorrect and that what Les Janka, NSC staff, had told me was somewhat on track as the Areeda letter to Chairman Thomas Morgan, House Foreign Affairs Committee, had been withdrawn for some slight revisions. He said we should draft our reply on H. Res. 205 to Chairman Melvin Price, House Armed Services Committee, along the lines of the revised Arceda letter which he would send to us. Rourke was not sure who in the Administration was responsible for coordinating the replies on the various resolutions of inquiry. I said we seem to be getting the most timely information from him and agreed that we would tie in with Tom Lattimer, DOD, and Rourke would tie in with Robert McCloskey, State Department.
